VAUGHAN'S

XXX HOLLY

*Deep Green Leaves, Bright Red Berries, Solidly Packed Cases.*

Our Holly is brought in by experienced packers for many years under contract with us. They select only the true, prickly-leaved type, packed in well made, solid cases. These are opened and reinspected by us at Chicago before shipping.

By this experienced packing and reinspection, we obtain the trade of those florists who cater to homes of elegance and taste.

While other shippers sometimes handle as choice Holly as Vaughan's XXX Brand, yet ours has averaged the best, one year with the other. Our prices are sometimes 50 to 75 cents higher than common stock. Our values are more than DOUBLE.

*Per case at Chicago or New York \$8.00.  
WRITE for prices on larger lots.*

### Vaughan's Deep Woods Bouquet Green

Although continued warm weather and freedom from frost has delayed the gathering of Bouquet Green, we have, nevertheless, by insisting that our pickers await hard frost before gathering our stock, secured a fairly good supply of late picked Green, which is so necessary for keeping this article in good order until Christmas time.

We are still holding back our shipments from the Northern woods as long as possible, as the storage facilities there are cooler and more moist.

Snows at this time, November 10th, indicate a shortening of the expected supply.
